

## *Ryan Joehl, recipient of SGCC's first scholarship, answers a few questions:*

### **What made you want to race Karts?**

I wanted to race karts so I could go fast.

### **How old are you?**

Seven

### **How long have you been racing?**

Two years

### **Do you help with your Kart?**

Not very often, most of the time my dad and my brother work on the kart. I just want to race.

### **About how many races do you participate in each year and do you race year round?**

We race from late March until October and usually do about 14 - 16 races a year. Most of our racing has been with the St. Louis Karting Association and with the Central States Super Series.

### **What tracks have you raced at?**

I race on sprint tracks and road race tracks. (left and right turns)

### **What brand of Chassis do you run?**

WildKart

### **Who is your motor builder?**

Mini Swift (60 cc)

### **What type of tires do you run?**

Bridgestone YCH

### **Do you race dirt or asphalt?**

Asphalt
